6. WARRANTY RETURN, REPAIR AND REPLACEMENT. To be eligible for warranty repair or replacement, Purchaser must notify RPX within thirty (30) days of discovering any apparent defect in materials or workmanship. Before Purchaser may return a Product for warranty service or repair, Purchaser must first obtain a returned material authorization (RMA) number from RPX. To obtain the RMA number Owner must provide an original proof of purchase. For additional information, to notify RPX of an apparent defect in materials or workmanship, or to request an RMA number, email support@rpxtech.com. Purchaser is solely responsible for complying with all RMA instructions provided by RPX including, but not limited to, adequately packaging the Product for shipment to RPX and for all packaging and shipping costs. RPX will pay for returning to Purchaser any Product that RPX repairs or replaces under warranty. RPX reserves the right to determine, in its sole discretion, whether a returned Product is covered under Warranty. If RPX determines that any returned Product is not covered under Warranty or is otherwise excluded from Warranty coverage, RPX may charge Purchaser a reasonable handling fee and return the Product to Purchaser, at Purchaser's expense, or offer Purchaser the option of handling the Product as a non-warranty return.

7. NON-WARRANTY RETURN. Purchaser may request that RPX evaluate and service or repair a Product not covered under warranty, which RPX may agree to do in its sole discretion. Before Purchaser returns a Product for non-warranty evaluation and repair, Purchaser must contact RPX by emailing support@rpxtech.com to request an evaluation and obtain an RMA. Purchaser is solely responsible for complying with all RMA instructions provided by RPX including but not limited to adequately packaging the Product for shipment to RPX and for all packaging and shipping costs.
